SUMMARY

25X1D

The Khabarovsk Barracks and Artillery School AL 2 is located in the south-central portion of Khabarovsk (Figure 1). The installation is 4 kilometers (km) northeast of the Krasnaya Rechka Army Barracks (BE No [REDACTED]) and Krasnaya Rechka Ordnance Depot [REDACTED].

The installation encompasses approximately 120 acres and contains a total of 101 buildings, including 7 administrative, 2 possible administrative, 35 barracks, 12 probable general storage, 14 vehicle maintenance/storage, and 40 general support buildings. In addition, there are numerous small sheds and probable support buildings scattered throughout the installation (Figures 2 and 3).

The installation was covered by [REDACTED] TALENT and [REDACTED] KEYHOLE missions of interpretable quality from [REDACTED]. Comparative analysis indicates an expansion of 3 large barracks and 1 administration building in area D2 and 1 U-shaped building in area H2 between [REDACTED]. Between [REDACTED] three vehicle maintenance/storage buildings were added to area J4, vehicle maintenance/storage areas J2 and J3 were improved upon, and 4 barracks were added to area D1. A large billeting area was constructed west of the installation during the periods observed and appears to be associated with the Khabarovsk Shipyard Ussuri South.
